Chatham College
Cornerstone Yearbook
2006 - 2007
Volume 91

Chatham College - Woodland Road - Pittsburgh, PA - 15232 - www.chatham.edu

Congratulations to the Class of 2007!

The Cornerstone would like to thank you for all your hard work, dedication, and participation during your years at Chatham College. Your presence has contributed to the College's history and has helped Chatham thrive.

Our theme, "Past & Present", highlights Chatham College's history and connects to the present. The Cornerstone is a long-standing tradition that joins the students and activities of the past with those of the present and future.

Originally founded as The Pennsylvanian, the Cornerstone yearbook has been published for over 90 years. For the past few years, the Cornerstone has been published as a digital CD-ROM. In Past & Present, we incorporate the old book tradition with the newer yeardisk. This year's book and disk are complementary halves; neither is complete without the other.

As the yearbook editor, I am proud of the accomplishments of the 2006-2007 Cornerstone staff. I would also like to thank the faculty, staff, and students who have made this yearbook possible. The moral and financial support of the campus community was essential in the re-establishment of the Cornerstone in book form.

Sincerely,

Flee Kieselhorst
Editor-in-Chief

A Letter from the President

February 5, 2007

Welcome to the 91st edition of Cornerstone, back in print after a five-year “hiatus” when it was published on disc. As an avid book reader, I confess I am very pleased to see the return of the Cornerstone in book form. I will treasure my copy.

Thanks to the Cornerstone’s Editor-in-Chief, Flee Kieselhorst, and her staff for bringing Cornerstone back to the printed page. All of us appreciate the extra effort Flee and her staff have made to give the campus community this wonderful gift.

**Dr. Esther Barazzone
15th President of Chatham College**

It is entirely fitting that this edition of Cornerstone has “Past & Present” as its theme. That is because Chatham College has been a leader in women’s education – both in the past and in the present. The successes we experience today are built upon the foundation that was laid by the students and faculty who studied and taught here in the past. Therefore, this edition of Cornerstone honors the past just as much as it honors the present.

The present is also filled with great promise for the future. Just this fall, for example, we welcomed the largest incoming class of First Year students since the 1960s! This year has brought achievements and accomplishments everywhere -- in the classroom, labs and on the athletic fields. As I write, the memory of the swim team’s victory this past weekend in the league championship is still fresh in my mind. All of your victories – large and small, academic and athletic, public and private – bode well for your future and the College’s future too.

Congratulations to the Class of 2007 and to the Juniors, Sophomores and First Years who will soon “move up” to take their place. On behalf of the entire Chatham Community, I wish each of you the very best.

Esther B.
